

The Resolve of Wreaths Across America for Our Veterans and Their Families

Wreaths Across America Day event this year and what to expect

Temecula, Ca — December,17, 2020 — The Wreaths Across America mission to Remember, Honor, Teach, is the foundation behind all the organizations efforts. Throughout the year, local volunteers have been tirelessly working to make certain that families, loved ones and heroes get honored and remembered for the holidays. However, the challenge was doing so in a way that is consistent with safety and in compliance with local COVID-19 recommendations and mandates.

The decision to amend this year's traditional wreath laying was not made lightly and we have gone to great lengths to address public safety while maintaining the best interests of families whose loved ones are interred here.

To help slow the spread of the COVID virus, the Cemetery has chosen to place the ceremonial wreaths at the entry of the cemetery, in lieu of placing them on individual graves. We are saddened that it has come to this and we ask for your understanding. We are hopeful that next year will be a healthier year.
